Box I Observations where certain claims we	ere found unsearchable (Continuation of item 1 of first sheet)
This International Search Report has not been establis	hed in respect of certain claims under Article 17(2)(a) for the following reasons:
1. X Claims Nos.: because they relate to subject matter not requ	uired to be searched by this Authority, namely:
Although claims 38-53 are on human/animal body, the seam effects of the compound/com	directed to a method of treatment of the rch has been carried out and based on the alleged apposition.
Claims Nos.: because they relate to parts of the Internation an extent that no meaningful International Se	nal Application that do not comply with the prescribed requirements to such arch can be carried out, specifically:
3. Claims Nos.: because they are dependent claims and are	not drafted in accordance with the second and third sentences of Rule 6.4(a).
Box II Observations where unity of invention	n is lacking (Continuation of item 2 of first sheet)
This International Searching Authority found multiple i	nventions in this international application, as follows:
As all required additional search fees were t searchable claims.	imely paid by the applicant, this International Search Report covers all
As all searchable claims could be searched of any additional fee.	without effort justifying an additional fee, this Authority did not invite payment
3. As only some of the required additional sear covers only those claims for which fees were	rch fees were timely paid by the applicant, this International Search Report e paid, specifically claims Nos.:
No required additional search fees were timestricted to the invention first mentioned in	nely paid by the applicant. Consequently, this International Search Report is the claims; it is covered by claims Nos.:
Remark on Protest	The additional search fees were accompanied by the applicant's protest. No protest accompanied the payment of additional search fees.
